This is first time that they used Brian Sutton as a contractor and they are very happy with him, besides his bid coming in way lower than estimated.

Old Business: None.

New Business: 2013 Dust Control Season information from Michigan Chloride Sales. Coordinating between road grading and having this applied would be very difficult. Mecosta County Road Commission is better option and those who schedule earlier may get better service. Should at least do 1-free and 1-paid for our residents. We will talk about this more when we get more info from county road commission.

Set up a budget workshop for March 19, 2013 at 4pm. And a Quarterly 941 workshop meeting Wednesday April 3 at 9am.
